

## CPI GROUP (UK) LTD

### ENVIRONMENTAL POLICY STATEMENT

Version:

3.0

Issue Date:

April 2014

The CPI Group (UK) Ltd is fully committed to preventing pollution, and making continual improvements to minimise the organisation's effect on the environment.

In striving to achieve this commitment we will:

- Meet all the necessary legislative, regulatory and consent requirements that relate to our business
- Keep abreast of environmental issues and, in particular, those which are of direct relevance to our business
- Continue to raise the awareness of all our employees, the effect of their actions on, and their responsibility to the environment; by communication, discussion and training
- Minimise our environmental impact by setting objectives and targets to control our most significant impacts, which have been identified as:
  1. Use of energy
  2. Generation of waste
  3. Solvent emissions
- Manage our buildings and grounds in an environmentally sensitive manner
- Make use, wherever practicable, of best environmental practice when planning and developing new and existing operations
- Operate a thoughtful purchasing policy by selecting, wherever practicable, materials and services which are less damaging to the environment
- Maintain an Environmental Management System that complies with the requirements of ISO 14001 to continually manage and reduce waste, effluent, emissions and the use of scarce resources.

We are committed to the values of FSC & PEFC, and will not be directly or indirectly involved in the following activities:

- a) Illegal logging or the trade in illegal wood or forest products;
- b) Violation of traditional and human rights in forestry operations;
- c) Destruction of high conservation values in forestry operations;
- d) Significant conversion of forests to plantations or non-forest use;
- e) Introduction of genetically modified organisms in forestry operations;
- f) Violation of any of the ILO Core Conventions as defined in the ILO Declaration on Fundamental Principles and Rights at Work

This policy will be reviewed on an annual basis and updated as necessary

Ian Browning-Smith  
Chief Operating Officer
